**In Attendance:** TPS 3866 Chris Rogers (Police)

### **Chairman welcomed everyone to the meeting.**

A discussion took place with regards to Policing in the village and recent problems with Break-ins and motorbikes. The Village crime figures are very low.

Chris gave a contact document to be circulated for contact with the police and any issues and problems to report it.

Chris reported on the gates that allow bikes getting thru onto local land and fields, this was due to disable access now required.

Neighbourhood watch is to be relaunched this year if anyone is interested.

Visits by the police can be made for any residents that are worried about security in their homes.

Chris wouldn't be able to attend every meeting due to the large area he covers in the Doncaster area, however we have his contact details if there is anything we need.
